

A person is seen from behind, relaxing on a white lounge chair. They are wearing a wide-brimmed straw hat and a patterned top. The chair is positioned on a concrete deck overlooking a large, calm lake. In the distance, there are dark, forested mountains under a clear sky. The entire scene is overlaid with a semi-transparent teal filter.

WATER,
NATURE,
SILENCE.

YOUR ULTIMATE GETAWAY RETREAT, LEAVE THE CITY BEHIND.

Welcome to Cinzia and Antonino Cannavacciuolo's lakeside home.

Lulled by the waters of Lake Orta,
the premises become a stage,
your stage, ready to welcome you just
a few kilometers from Lake Maggiore.
Here silence speaks.
Here the air feels like peace.
Here the water is a canvas, perfect
for the flow of inspiration and reflection.

A rare freedom to enjoy slowly.

LIVE IN THE MOMENT

Surrounded by calm waters and the greenery of the mountains is a place to be inspired, a refuge, and a bearer of new energy.

With zero impact on the environment and a strong focus on respecting its surroundings, Laqua by the Lake provides maximum privacy and direct access to the lake; fun and nature are distinctive elements of our Piedmont resort.

The heated infinity pool at the Beach Club is framed by sunbathing areas, loungers, shorefront and relaxing Bali beds.

Prompted by the desire to get away and to find oneself in timeless simplicity, the resort is the perfect venue for Corporate and Haute Couture events, private parties and special celebrations.
